

## **‘Award Winning Author Giles Paley-Phillips Writes Something a Little Bit Different’**

Following great success with Giles’ dark and scary award winning, ‘**The Fearsome Beastie**’ and halloween favourite, ‘**Tamara Small and the Monsters’ Ball**’, one might assume that he only writes for boys!

Not so! January 28th sees the publication of ‘**Princess Stay Awake**’ a delightful new picture book with a cheeky princess who just won’t go to sleep! A situation that many parents can relate to.
